Elecor Properties
Anti-Money Laundering (AML) Policy

Elecor Properties ("*EP*", and together with its related subsidiaries and affiliates, "*Elecor*") is committed to preventing the misuse of its personnel and/or facilities by persons (including clients, counterparties and service providers) who seek to engage in money laundering. Accordingly, Elecor has adopted an *Anti-Money Laundering Policy* which includes various procedures designed to prevent, detect and provide for the reporting of money laundering. This policy applies to all Elecor companies, including but not limited to our registered investment advisory affiliates and all investment funds advised by them. Among other things, the policy includes "know your customer" (KYC) diligence requirements for investors (and potential investors) in our private investment funds.

Elecor encourages all of its personnel to be vigilant against money laundering and other illegal activities.
